Guided Reading Levels indicated are the official levels as assessed by Fountas & Pinnell for all titles except Advanced Fluency which are awaiting official assessment.

Each title has been assigned a “Red Rocket” Intervention Level based on the author’s many years experience teaching **Reading Recovery**. These levels can be subjective and for this reason our non-fiction titles have been given ranges rather than specific levels.

DRA Levels are assigned following the guidelines in Developmental Reading Assessment Levels: *Developmental Reading Assessment Resource Guide*. Joetta Beaver, Celebration Press, 1997.
